Message

It gives me great pleasure to know that INDIAN CANCER CONGRESS 2017 is organizing Scientific Program of "2nd ICC 2017" on 9th November, 2017 at 6:00 PM at Clarks Convention Centre in Bengaluru.

I am extremely happy to note that galaxy of stars like ICMR, National Cancer Institute, USA, the British Council, American Society of Radiation Therapy & Oncology (ASTRO), American Society of Clinical Oncology (ASCO), the International Federation of Head & Neck Oncologists (IFNOS) and the Association of Clinical Oncologists of Asia (ACOS) are partnering in this Conference. As you are aware, Government of Karnataka always pioneers innovations in health care and medical education and shall continue all encouragement in future also.

Unfortunately, I regret my inability to attend the Conference due to some unavoidable pre occupation. It also pains me that I will be missing to meet in person great stalwarts in the Industry. Please convey my personal regards to all the participants and I do hope that the Conference will bring to light the recent innovations and update our Doctors to serve the cancer patients still more efficiently.

I wish the Conference all the great success.

(K.R. Ramesh Kumar)
